

Educational Discount Up to 50%

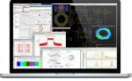

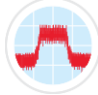

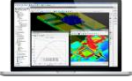

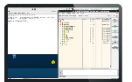

Save more and Get SMARTer with Keysight

Keysight is committed to supporting academia — let's do amazing things together. To stand out above the rest, you need smarter resources in your labs. Under the educational discount program, approved educational institutions receive a 15% discount on eligible hardware products and a 50% discount for select software products.

Save 15% on hardware

			
Oscilloscopes	Signal Analyzers	Frequency Counters	Power Analyzers
			
Digital Multimeters	Signal Generators	LCR Meters	Data Acquisition
			
Waveform Generators	Network Analyzers	Impedance Analyzers	Parameter / Device Analyzers
			
DC Power Supplies	FieldFox	Power Meters and Sensors	Source Measure Units
			
AC Power Supplies	Device Current Waveform Analyzer	Noise Source	Training Kits
Handheld products and more			

Save 50% on software

Design and simulation software		Application software		
				
PathWave Advanced Design System (ADS)	PathWave RFIC Design (GoldenGate)	PathWave Vector Signal Analysis (89600 VSA)	Infiniium Series Oscilloscope Software	Photonics Application Suite
				
PathWave EM Design (EMPro)	PathWave Model Builder	PathWave X-Series Measurement Applications	Network Analyzer Software ¹	Labber
				
PathWave RF Synthesis (Genesys)	PathWave Model Quality Assurance	Signal Optimizer	NEMO Wireless Network Software	Quantum Benchmark
				
PathWave System Design (SystemVue)	PathWave WaferPro	PathWave Signal Generation	Wireless Test Platform Software ²	Digital Learning Suite
				
Keysight Design Data and IP Management		PathWave Lab Management and Control	PathWave Lab Operations for Remote Learning	
Programming software		Productivity software		
				
PathWave Test Automation	VEE Pro	PathWave Data Analytics	PathWave Instrument RPA	
				
PathWave FPGA Programming Environment		PathWave BenchVue		

1. Applicable to the select software of the network analyzers only. Software installed on FieldFox is not eligible.
 2. Applicable to the select software of the wireless test solutions only.

You can set up accredited teaching labs and state-of-the-art research labs with Keysight's education discount program.

Equip your teaching and research labs now with industry-leading design and test tools.

Save up to 50% — valuable for your students and right for your budget.

Take advantage of this educational support program by contacting your Keysight sales representative or authorized partners to confirm your eligibility for the educational discount or to place an order.

Contact a Keysight representative or authorized partner: www.keysight.com/find/contactus
